

– *Curriculum Vitae* –

## PINKY AGARWAL, MD

**Position:**

Attending Neurologist

**Prior Employment:**

Colorado Neurological Institute, Englewood, Co

**Professional Education and Training:**

Fellowship-Movement Disorders, Columbia-Presbyterian Medical Center, Columbia University, NY  
Residency in Neurology, New Jersey Neuroscience Institute, Edison, NJ  
M.D, Lady Hardinge Medical College, New Delhi, India

**Professional Affiliations/Committees:**

American Medical Association  
American Academy of Neurology  
Movement Disorders Society  
Association of Clinical Research Professionals

**Clinical Interests:**

Parkinson's disease, dystonia, tics and Tourette's syndrome, tremors, botulinum toxin injections for dystonia and spasticity, restless legs syndrome

**Research Interests:**

Participate in clinical trials in Parkinson's disease, restless legs syndrome and dystonia.

**Care Philosophy:**

Educating patients about treatment options leading to informed decisions about health care.

**Hobbies:**

Trekking and swimming.

**Bibliography:**

Agarwal P, Griffith A. Restless Legs Syndrome: Essentials of diagnosis and treatment. Accepted in the Medscape Journal of Medicine. 2008
