

Booth Gardner Parkinson's Care Center

Offering Comprehensive Movement Disorders Care

Welcome to the Booth Gardner Parkinson's Care Center!

Our goal is to provide you with the best care possible. As an outpatient department of Evergreen Hospital, we are able to provide you with access to facilities, resources and services that may not be available at free-standing clinics.

Since we are an outpatient department of Evergreen, we bill both a Professional Fee (for the physician and practitioner services) and a Facility Fee (for costs such as supplies and staffing). You will receive two separate bills for each visit or procedure at the Booth Gardner Parkinson's Care Center. As a result, you may pay more for certain services than you would at a free-standing clinic.

We can provide estimates of charges for the services we provide. These estimates are inexact since we cannot always know in advance the actual services your provider will determine you need during your visit. Your charges will be based on the actual services you received.

If you have Medicare coverage: We accept Medicare assignment and will bill your Medicare and Medicare supplemental/secondary insurance for you. Most patients with Medicare are responsible only for their usual 20% co-pay, and/or any unmet deductibles. If you have questions about services that Medicare does not cover, please contact Medicare directly at 1-800-MEDICARE.

If you have commercial insurance coverage: We will submit separate claims for the Facility Fee and the Professional Services Fee to your insurance company. Dependent upon your benefits, you may be responsible for separate co-payments. If you have questions about your coverage, please contact your insurance company directly to see what your policy will pay and what out-of-pocket amounts you may have to pay.

You will receive a statement in the mail from Evergreen for any co-payment due from you.

For questions relating to your Facility Fees, please call Patient Financial Services at 425.899.1600.

For questions relating to your Professional Fees, please call the Evergreen Medical Group Business Office at 425.899.3292.
